### About This Game

You think you're smart in puzzle games? Like challenges in action games? **Smart Gecko** is a game that combines all this and more, where you must help **Tixaz** in winning all rooms and prove that it is really very smart

### Key Features:

- Action Maze Progressive Puzzle!
- 50 challenging levels!
- Keyboard or Mouse gameplay!
- Immersive Soundtrack!

### History:

In a research laboratory, one scientist in particular develops an experiment with a gecko, being one of the most agile and clever reptiles in its food chain.

He trains his 'Tixaz' gecko in rooms designed to develop his abilities, and as reward and motivation, he gives him to eat special flies that give more intelligence
